

## **Field Worker (Part-Time)**

Community Links, a non-profit provincial association serving rural seniors and volunteers, is seeking a part-time Field Worker to develop and support the Preventing Falls Together program in Central Nova Scotia (Antigonish, Pictou, Colchester, and Cumberland Counties).

### Requirements:

- university degree or equivalent experience
- project development and management experience
- background working with volunteers
- partnership and community development experience
- computer knowledge (MS Office/email)
- willingness to travel within NS, valid Nova Scotia driver's license and access to own vehicle
- ability to work from home

This part time, two to three days per week position, will be filled upon confirmation of funding.

Please send a resume, cover letter, and three references by April 26 to: Preventing Falls Together Coordinator  
1 Oakland Drive, Sydney, NS B1L 1H1
