

What we'd like from you:

Show us what you experience in your day-to-day life. The enjoyable places in your community that are accessible and the places you tend to avoid because they are not accessible.

12
Pictures

6 pictures
of **accessible** places in your
community (safe, easy to use)

6 pictures
of **non-accessible** places in your
community (dangerous, hard to use)

Photo-taking Steps:

Go for a walk or
drive in your
neighborhood

Look for examples
of good accessibility
and poor accessibility

Stop when you
notice an example of
good accessibility
(For example:
tactile, crosswalks,
shade, or seating)

OR

Stop when you
notice an example of
poor accessibility
(For example:
no lighting, cracks, no
curb cuts, or stairs)

Take a
picture!
